

**ASCEND INTERNATIONAL'S L2L PROVIDES LEADERS IN THE USA A PLATFORM TO INFLUENCE FUTURE LEADERS ABROAD.**

Impart- *your life*  
 Mentor-*tomorrow's leaders*  
 Model-*servant leadership*  
 Impact-*a nation*  
*-While serving a community in need*

*"My short term trips have grown into some of the most meaningful relationships in my life. My life and the lives of others are better because I took the time to go....and... care....and give."*

L2L is a ten to twelve day, cross cultural service program. It is an international community of partnering business, university and civic leaders working together to form long term, sustainable strategies to build LEADERS while impacting communities.

L2L is "voluntourism." American professionals leverage their education and experience to help inspire present and future leaders in foreign universities and influential cities to develop leaders and serve communities.

*For more information on these trips*

- Learn about a new culture while serving it
- Share your life and experiences in order to equip future leaders
- Develop lifelong friendships with those in other countries
- Be a responsible world citizen in utilizing all you have been given
- Travel with friends to explore a new country
